Fiscal Year 2006 Proposed Operating and Capital Requests to IBHE

Steve Bragg, Barb Blake (Director of Budget Planning) and Dick Runner (Director of Facilities Planning) provided an overview of their budget request to IBHE. Among the highlights they shared are the following:

- If all projections and assumptions had proven true (since FY97), ISU should have received $60 millions for the current fiscal year. Steve Bragg used this chart to highlight how much funding has been lost from the state (currently at 29% of the total budget).

- ISU will request $89,892,100 for FY06 (this includes $750,000 for the new College of Business operation and maintenance, $750,000 for High Priority Educating Illinois Initiatives, and $4.86 millions for compensation increases).

- The Capital Improvement Program includes a request for a Wellness/Activity center to be located where Dunn/Barton and Walker Halls are (if funded), rehabilitation of Milner Library and Center for the Visual Arts, and renovation of Williams Hall.

The handouts provided for this overview will be made available on the Academic Senate web site.

Administrators’ Remarks:

• **Senator Bowman** indicated that he is working hard on the remaining days (100) of the fundraising campaign. He also informed the Senate that he had appointed Steve Adams to chair the search for the next Athletic Director whose appointment is expected for June 2005.

Senator Bowman’s visit to Washington D.C. went very well and he is optimistic that ISU will get more than $20 millions in federal funding next year. Some funding has already been promised but announcements will be made closer to the end of October. While this news is good, Senator Bowman is still concerned about the fact that ISU is in a fragile state and the effect that soaring oil prices could have on the economy.

However, the positive news is the perception of ISU in US and World News Report where ISU is ranked #4 in its tier for Fall to Fall retention rate and # 8 in graduation rate.

Finally, Senator Bowman indicated that he is not sure whether capital funding will be considered during this fall in Springfield.

• **Senator Presley** was not present.
• **Senator Mamarchev** thanked SGA for their efforts in voter registration (deadline is 10/5/04). She also indicated that Milner Library is still looking for volunteers for the Closing the Gap program.
• **Senator Bragg** declined to provide additional remarks since he discussed the budget.

Public Relations Ad hoc Committee – Amy Mersinger

The committee (Mersinger, Jess Ray, Maureen Smith and Mark Vegter) met and developed a number of ideas/initiatives designed to enhance campus awareness of the A/P Council and facilitate campus communication among A/P constituents. The ideas included:

1. Guest speakers at A/P meetings and "brown bag lunches" prior to Council meetings in which all A/P staff would be invited to participate.

2. Better utilization of campus communication vehicles, including The Daily Vidette, The ISU Report, the portal, and our own A/P Council Website.
3. Sponsor a University Club Meeting in the spring

4. Develop/review the A/P Council mission statement, merging it with the Statement of Purpose in the constitution.

5. Sponsor a Campus Open Forum for all A/P’s on specific topics, as needed.

There was some discussion and additional suggestions. The committee will reconvene and continue to pursue these initiatives, adding structure and scheduling, as appropriate.

**Constitutional Review Committee** – Deb Gentry

The Council participated in a lengthy discussion regarding how the Council’s Academic Senate representative is selected (currently appointed by Council vote), and whether the position should be included in the constitution (it currently is not). It was determined that the committee would draft a proposal outlining that the position will be listed in the constitution, while procedures for selection will be included in a new document (to be developed) called The Standing Rules.

The Council then began a discussion regarding the definition/purpose of ex-officio members, which will be continued at the next meeting.

**Adjournment**

The Council adjourned at 2:55 p.m. Moved and seconded by Gail Lamb and Amy Mersinger, respectively.

Respectfully submitted,
Steven Klay, Secretary
