Committee Reports

Academic Senate – Mboka Mwilambwe

Mwilambwe attended the January 26 meeting of the Academic Senate, and provided the following report:

The meeting was called to order at 7pm.
In order to accommodate schedules, the Senate first heard from Josie Evola (Acting Director for the Office for Diversity and Affirmative Action). She gave an overview of the Underrepresented Groups Report that ISU is required to file annually by law. This report underscores the efforts undertaken by university departments to increase recruitment and retention of underrepresented groups. It is available at the following address: http://www.diversity.ilstu.edu/reports/index.shtml

Chair and Vice Chair Remarks:

- **Senator Crothers** welcomed everyone back and reminded committees to bring to the Senate floor items they are working on as soon as possible otherwise it would make for very long meetings in April when the Senate is trying to take care of all unresolved issues.

- **Senator Rinker** announced the creation of a commission called Redbirds for Relief whose function will be to coordinate the relief efforts of student organizations targeted at the Tsunami victims. Zach Koutsky is the director of this commission.

  Senator Rinker indicated that the “Closing the Gap” program was very successful as 84 students volunteered 1012 hours, saving Milner Library over $11,000. Students have already signed up to renew this effort for the Spring semester.

  Finally, Senator Rinker indicated that the Budget Review Committee finished its recommendations for student fees and those will be forwarded to the appropriate individuals/groups.

Administrators’ Remarks:

- **President Bowman** informed the Senate that President Bush signed a bill that includes federal dollars for several ISU projects. One of those projects (large one) will be announced next Monday in Old Main. US Rep. Jerry Weller will be in attendance.

  The College of Business will hold an Open House on 4/1/05.

  The AD search committee met last week. They are scheduled to hold campus interviews in April and expected to make a selection in May.

- Provost Presley announced that the task force created to deal with students called up in the military created a web page to help students better prepare before leaving. It gives information on things like Power of Attorney, how to go about withdrawing. The link is the following: http://www.arr.ilstu.edu/veterans/militarywithdrawal.stm

  Provost Presley provided the Senate with some statistics:

  - We currently have 1624 undergraduate students considered non-traditional (veteran’s status or age helped determine that)

  - Our current enrollment is 19,207 students, which is 400 students less than it was at this time last year.

  - 7,000 students have been admitted for the Fall 05 and as deposits come in and students firm up their commitments, Dr. Presley will keep us updated.
• **Vice-President Bragg** provided us with an update on construction projects going on campus:

- The second phase of Schroeder Hall renovation is ahead of schedule
- The renovation of Wilkins Hall is also progressing as expected
- We are half way through the design phase of Haynie Hall as well as the Stevenson and Turner safety improvements.

The SSN transformation project is moving along nicely. The background computer work is essentially completed and the focus will now be on working with individual departments to help them deal issues specific to their situations.

Dr. Bragg indicated that he was happy with the ridership of the free campus shuttle as it has increased over time (currently at around 1200 people/day).

Dr. Bragg also provided an update on the budget as the IBHE finalized its recommendations. Those recommendations include:

- a 1.2% increase for ISU’s budget
- an 18 million dollars increase for MAP awards to offset tuition increases implemented in 2003
- 268 million dollars to fund the state retirement system.

The Governor’s budget address at the end of February should kick off the appropriations phase. Dr. Bragg indicated that he is not optimistic that ISU will get more than the recommended increase particularly since the state budget deficit is currently believed to be between 2 and 2.5 billion dollars.

• **Vice-President Mamarchev** informed the senate that more than 400 people attended the MLK dinner showcasing poet Nikki Giovanni. She also announced that the kick-off to Black History will be held on 2/1/05 in the Old Main and that Winterfest (indoor Festival ISU) will be held on 2/2/05 in the Bone Student Center.

**Committee Reports**

• **Administrative Affairs**: the committee is currently working on the amplification policy and annual commentary of the President.
• **Faculty Affairs**: discussed the retention report.

They are still working on the Faculty Code of Ethics but do not believe they have finished their work by the end of this semester. They are also working on selecting a representative of faculty for the administrator reviews (Deans, department Chairs).
• **Planning and Finance**: Vice-President Bragg provided the committee with an overview of his division, how it has been impacted by budget cuts and what ought to be the university’s priorities.
**Action Item:**

Election of Senate Executive Committee Faculty Representative

Senator Wylie was elected to the Executive Committee.

**Information Items**

**Communications**

12.13.04.04 Dr. Presley circulated a memo indicating that Karla Doepke (Psychology) and Rocio Rivadeneyra (Psychology) were selected for the Service Initiative Award. The same memo indicated that Christopher Horvath (Philosophy) was selected to be the recipient of the University Outstanding Service Award.

Dr. Paul Borg reminded the Senate that the North Central Accreditation team will be here from 2/14/05 to 2/16/05. He has not gotten the final schedule of their visit. However, he indicated that he is aware of an open faculty forum (4pm on 2/14) and an open student forum (4pm on 2/15). He encouraged everyone to be candid with the site team whenever they are on campus.

He also indicated that the self-study report is printed and there are hard copies in the Provost’s office and a copy of it is available on the Provost’s web site.

The meeting was adjourned at about 9pm.
