Committee Reports

Brown Bags – Steve Klay, Nikki Brauer, & Kim Hays
The Council discussed the March 8 Brown Bag session. Feedback was generally favorable, and the Council expressed its appreciation to Jay Groves for his willingness to meet with the group.
Some Council members reported getting questions regarding the format/content of the Town Meeting Brown Bag scheduled for April 13. It was determined that more specific information about the town meeting should be provided in future marketing pieces. Ideas for this session included:
- Provide an opportunity for discussion on a current topic of interest to A/P staff
- Discussion may help to provide stage for next year’s Council on those issues important to A/P staff
- Provide and address information gleaned from the online survey
- Provide an opportunity for our A/P constituency to share feedback for the Council
The next Brown Bag session will be held on March 30. The guest will be Dean of Students, Dr. Jan Paterson.

Elections – Rick Olshak and Steve Klay
The committee has met and determined a timeline for the elections. They will be meeting with Mark Troester from IWSS on March 10, to discuss the implementation of the online voting process. Mike Schermer will again serve as the election administrator. Given what needs to occur
in securing nominations, posting candidates on the website, and other details, the elections will take
place during the last week of April. Nomination materials, as well as voting procedures will be
provided in a mailer sent to each A/P staff member. The mailer is scheduled to go out the week
of March 20.

**Business**

**Elections**

The A/P Council election process will need to begin soon. Plans are to continue with online
elections. Steve Klay continues to serve on this committee, but a replacement needs to be found
for Annette State Levitt. A motion was made and seconded by Mike Baum and Amy Roser,
respectively, to appoint Rick Olshak to this committee. Motion was passed.

There was some discussion about concerns from the past of how and where potential
candidates are listed on the ballot. Staff are typically listed within the unit from which they are
paid, which is not always the most accurate representation. The Council questioned as to whether
HR might be able to help develop a more accurate listing. The committee will look into this issue
as they prepare for the elections.

**Follow up to last meeting’s discussion with Deb Smitley and Ira Schoenwald**

Council members participated in a discussion regarding their thoughts regarding what was
shared at the last meeting concerning A/P staff’s inclusion in the mid-year salary increases. It is
clear that concerns still remain. We were asked to provide A/P representatives to work with Deb
Smitley with the salary comparison research that remains to be done for A/P staff. It was
determined that Mindy Mangialardi and Mark Vegter would serve in that role. They will continue
to address the issues that have been raised.

**Adjournment**

The Council adjourned at 2:45 p.m. Moved and seconded by Mike Baum and Amy Roser,
respectively.

Respectfully submitted,

Steven Klay, Secretary
